

SKATING NEWS

From Breezie Lund
February 2012

Thank you for another successful session. If you are not in the ice show, I encourage you to come and watch it. I encourage you to find open skate time and keep up the good work.

Watch for summer skating lessons in the Spring/Summer Activity Guide.

Watch for next year's registration around September. I hope that we will see you next October.

SKATE TIPS

Wipe off
blades to prevent rust.

Remove skating guards to let the blades dry. Keeping guards on will rust the blades.

Keep skates sharp!
(Scheels, Valley Sports)

Do Not
Walk on cement/wood floors without guards.

Skating everywhere is unpredictable; no amount of money or facilities is going to create a skating star. You have to have a skater who is dedicated passionate
