Dear Farmers Market Vendors:

The West Fargo Park District would like to invite you to the 6th Annual "Farmers Market and Beyond". The year the market will be open to the public on Mondays and Thursdays, July 9th through October 4th from 4:00-7:00pm. The market is held at South Elmwood Park parking lot, 500 13th Ave West, West Fargo.

The Farmers Market is open to area produce growers, home crafters and other agriculture products. Booth spaces are \$15 per day.

Creating a festive atmosphere is also a goal of the market vendors, therefore, the West Fargo Park District would also like to welcome food vendors and non-profit groups to the market at no charge.

Please consider being a vendor at our market or distribute a flyer to someone that you feel may be interested. If you have any questions, please contact Kim Wangler at 433-5360 or email kim.wangler@wfparks.org.

Sincerely,

Kim Wangler
