Coronavirus (COVID-19) Update

The past several weeks the West Fargo Park District has been alert and diligent to the concerns of the Coronavirus-19 illness outbreak as the safety, wellbeing and health of our employees and public remains a top priority.

On March 13th, 2020, the President of the United States declared a National State of Emergency and Governor of North Dakota issued a State of Emergency regarding Coronavirus-19 which has now reached pandemic levels around the globe.

At the West Fargo Park District, we realize the importance and respect the significance of joining efforts with our community, state, country and world to make informed, intelligent and determined efforts to fight the spread of Covid-19.

As of March 13th, 2020, the West Fargo Park District has closed all of its facilities including the Rustad Recreation Center, the Veterans Memorial Arena and activity centers until further notice. Furthermore, the Park District has also suspended all on-site and off-site programming, events and rentals until March 23, 2020. The Park District will continue to update announcements on its website, wfparks.org and Facebook page. Please watch for future dates and scheduling as decisions become apparent.

The West Fargo Park District is empathetic to those who are frustrated or disappointed regarding closures interruptions and delays, however we value and trust public health officials expertise and common sense approach to aggressively implement social distancing measures. We believe these such measures will have the greatest effect before the illness has established in our community.
