

# GIGANTIC RUMMAGE SALE

## Covid-19 Guidelines

We look forward to having you as a vendor for this year's GIGANTIC RUMMAGE SALE! Due to COVID-19 we will be changing how we operate the Rummage Sale. Please read the following closely as we have made many changes.

People with COVID-19 have had a wide range of symptoms reported – ranging from mild symptoms to severe illness. Symptoms may appear 2-14 days after exposure to the virus. People with these symptoms may have COVID-19: fever or chills, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestions or runny nose, nausea or vomiting, and/or diarrhea. The West Fargo Park District will not be checking the temperatures of all participants, but we do have the ability to do so if this is deemed necessary.

It is important to remember that anyone who has close contact with someone with COVID-19 should stay home for 14 days after exposure based on the time it takes to develop illness!

**Remember: if you are feeling sick, be North Dakota Smart and stay home!**
